NOTICE

THERE COMES A TIME. here comes a time when we grow old, And like a sunset down the sea
lispe gradual, and the night wind cold
Comes whispering sad and chilling;
And locks are gray As winter's day, and eyes of saddest blue behold

The leaves all weary drift away, and lips of faded coral say. There comes a time when we grow old. There comes a time when joyous hearts. Which leaped as leaps the laughing main

As prisoner in his dungeon chain:
And dawn of day
Hath passed away.
The mron bath into darkness rolled, And by the embers warm and gray, I hear a voice in whisper say, here comes a time when we grow old. There comes a time when manhood's prime Is shrouded in the mists of years,

And beauty, fading like a dream, Hath passed away in silent tears; And then the dark! But oh! the spark
That kindled youth to hues of gold, Still burns with clear and steady ray, And fond affections lingering, say, There comes a time when we grow old. There comes a time when laughing Spring and golden Summer cease to be, and we put on the Autumn robe, To tread the last declivity:

But now the slope, With rosy Hope, Beyond the sunset we behold-Another dawn, with fairer light, While watchers whisper thro' the night, There comes a time when we grow old

I did not know what citement was created in Fairmouth, gether in one house is that old maid's key was safe. The shade that I placed else to do. I unlecked and opened the doer; and there, to my astonishment, a small circle, beyond which the bed, the furniture, the carpet, and the wall- bonnet and shawl, with a bundle in paper were obscure. In the corner, to her hand-waiting, I have no deabt, cently the government engineering Gray's turn, and she left; home on a the right of the door, was an antique high-backed chair, a favorite piece of furniture. As I turned my own chair from the bureau, my eyes rested on Jane, telling her to come in.

Her naud—waiting, I nave no denot, centry the government engineering party engaged in the survey of the upon seeing me; but the man immediately called to her by the name of from Morgantown to Fairmouth exthis ebject; and I saw by the same
She passed by me as she did so; and glance that a human figure was sitting I whispered, "Oh, Emily, how could members of the party we learn that there can be ne doubt but this road where Mary Gray was. In vain. The She manifested no shame or serrow, furnishes another trace of the lost race funeral took pisce on advertised time, er it was a man or woman; I only be- though I know she must have heard that once dominated the Continent and Mary Gray's sister was put decame conscious, as I sat in bewilderthe whispered words; her face was long before the Indians came into cently under the ground. The next ing, dumb terror, that I was conhard and unwemanly, and its exprespossession. was surprised to find nobody at home

family did not take a paper and she

was, of course, entirely ignorant of

BILVER IN MASSACHUSETTS There seems to be no end to the covery has been made is Dr. Thaddeus

SINGULAR PHENOMENA. A singular phenomenon recently occurred on the farm of Joseph Skinner manufacturers, and will war- She told me that she had been left a rant every article purchased widew, with no means, and had since woman, marm; you come right to the of us. As before, we pledge although I had intended that the wo- ing to tell you what I want. Be quiet the atorm. Captain Croly never or work of art as this — Pittsburgh Com. the 1st inst., the workmen suspended their work for breakfast, leaving the well all right. Upon their return they were astonished to find that the curbing, brick, and everything had disappeared from sight. All that could be seen was water and mud, the water, and pain; for my arm was twisted out miles below Devenpert, Iowa, Aug. presenting the appearance of being of joint at the elbow by a turn of the 28th, by some fishermen. It was a covered with frot a. Of the whole fifty ropes. He caught me and held me up subterraneau cave, hewn out of the feet of brickwork and curbing not a there till help came from below, and solid rock, which was covered by a then they carried me down. It was huge rock, and which was reached by tom had "fallen out" of the well. Captain Croly that saved me from a stone steps. The floor of this subter-grave in the ocean; and I would have ranean cavity, which had undoubtedly was twelve feet of water. Soon after rebbed him to-night! Forgive us, been made thousands of years ago, the apparent disappearance of the madam, if you can. We will leave was thickly strewn with ashes, the bottom the water commenced to rise charred remains of bones, and a sub. again, and mud and water came with-"Well," said Elijah, in his joking stance which they took to be dead in thirty-five feet of the top, but still way, when he came home next after leaves, first wetted then pressed to- no trace of the "lest bricks" could be this eventful night, "you've not been gether, and resembling in color and seen. The phenomenon has attracted murdered for that money, I see .- solidity the cake frem oatmeal. a good deal of attention, and various Where's Emily? Has she run off Among the dry ashes they picked up are the conjectures as to what became with it?"

Among the dry ashes they picked up of the brick work. Not far from Mr. I handed him the package, merely tooth, and still lowered the beat-hook Skinner's farm is a lake, and one theoremarking that the woman had unex- came in contact with a hard substance ry is that a well was dug directly over pectedly left me, for reasons which which proved to be a scull, brown as an underground stream from the lake; were best known to herself. This was polished walnut, perfect in every reall the conversation that I had with spect, and of extraordinary size. On and debris was washed down the him upon the subject; he never knew further examination almost a complete stream, but the channel seon becomwhat I have been telling. Perhaps I skeleton was discovered. But the most ing filled, a dam was formed across it

> HER TRAP. -Some weeks ago a Detroit wife disguised her chirography and wrote her husband a love letter proving that a knowledge of brenze under an assumed name. He answerwas among the learning of the aboridence ensued which lasted for six surgery in those days was equal at weeks. He finally threatened to comrespendent did not meet him, and the wife then had a parler seance and exhibited the letters. The attempts of the husband to laugh and declare that he knew her handwriting all the time. and wanted to see how far she would failures of the present sad year .- Free Press.

> POTATOES AT \$22, GOLD A BARREL. Private despatches were received in this city from Havena a week ago annonucing that the edict against the impertation of foreign potatoes into the Island of Cuba had been raised on the names, and when we reached hers and Acting upon these advices several firms in this city have made immense

Some of the industrious Russian pose of catching reflections from the earth. A peculiarly bright spot, which has been shining on the edge of the An Irishman, on arriving in this moon for months, has led them to the country, took a fancy to a Yankee girl supposition. From this discovery it you are enjoying the same blessing. I upon us any day; and if our ideas of reccommend you to marry Jerry civilization should not happen to agree
